Professional Experience

- **We Draw Ideas, LLC: Owner; Green Bay, Wisconsin 2015 - present**

I draw pictures that explain ideas. I can create a graphic resume for a job seeker or a visual representation of a company looking to expand into a new market. The images I provide can help you or your business stand out from your competition and grab the attention of decision makers.

For over 20 years I've developed marketing plans, graphic design, audio podcasts, slide decks, digital travel guides and demographically targeted web content for small and medium businesses, start-ups, manufacturers, the media and more.

My work helps my clients tell their story. Want to learn more? Drop me a message here or email: barbaraluhring@gmail.com
